

LITIGATION STRATEGY /

We provide more than legal advice.
We help accelerate resolution so you can
get back to business.

Our team provides litigation advisory services based on our clients' unique needs and challenges. We advise senior corporate leadership on effective settlement strategies, special investigations, corporate defense strategies and other specialized advisory services.

Our litigation advisory team brings decades of experience to bear on the acute challenges and opportunities our clients face. From leading prosecutions as U.S. Attorneys to providing resolution strategies on thousands of individual and mass tort cases, our team has litigated claims in excess \$21 billion in actual settlements paid.

Our clients gain from our ability to pool firm-wide resources and our collective depth of expertise.
